

Freshman Course Selection Worksheet

Prior to completing this form, please watch the general overview video regarding freshman course selection. The video can be found on the BSM website, www.bsmschool.org, select Academics, choose senior high from the drop-down menu.

The enclosed Program of Studies contains full department course descriptions. A quick reference is on the reverse side of this sheet. Please complete this form before you enter your course choices on the Google form. Keep this copy for your records. Course choices will be reviewed by your academic counselor and you will be contacted with any concerns.
